Merry thanks for your
letter - So sorry you haven't
got a chance after all but
perhaps it will be accomplished
yet - We have been having
a lot of the grandeur as
shown on other side lately.
We can't beat you in "Beach
Gardens" but we can beat you in
100 yds. Tell Dad I am looking forward
to our 100 mile walk in August -
Much love to all. "Uncle A"

The Lizard is the name given to the peninsula south of the Helford estuary, which includes the Lizard Head—the most southerly point of Great Britam. Its surface is of a fairly regular character, with an average height above sea level of 800 to 900 feet. The coast line is most beautiful and very rocky, the long rollers of the Atlantic breaking against its massive cliffs with most impressive effect.
